<https://www.marketwatch.com/game/bale-economics-period-4-fall-2019>

Rules:

- Use your *REAL NAME* for the stock user ID
- Create only 1 account
- Do not reset your account

Example: **Mista Bale**

- You must create a diverse portfolio of at least 5 stocks at all times
- No more than \$5,000.00 of your portfolio can be cash. This means you reinvest if you sell a stock. You may be penalized if cash remains above \$5,000 for an extended length of time.
- You may only invest in companies traded on the **NYSE, AMEX, or NASDAQ**.
- Your stocks must represent at least 2 different trading markets (I.E – NYSE & NASDAQ)
- At least 5 transactions beyond the original transactions of forming your portfolio must take place.
- No option trading. No short selling.
- All stocks must be valued at \$2.00 a share or higher at time of purchase
- The game opens on 9/11 and closes on 12/13. Maximize!!
